

Cold Fusion Hair Extensions Waiver

(For Clients Under 18)

Dear Valued Client,

Thank you for considering our salon for your Cold Fusion hair extensions. To ensure both you and your parent or guardian fully understand the process, cost, and required maintenance for this service, we have provided a detailed overview below, including the responsibilities and potential risks associated with the Cold Fusion method.

What to Expect from Cold Fusion Hair Extensions

- **Lightweight and Comfortable Fit:** Cold Fusion extensions are applied without heat, providing a natural look and a comfortable feel. The extensions are positioned approximately half an inch from the scalp, lying flat to avoid pulling or tearing of natural hair.
- **Durability and Longevity:** Cold Fusion extensions typically last 5 to 6 months. Once removed or naturally shed, the extensions cannot be reused, and a new set will need to be purchased.
- **Customization:** Extensions are available in different strand sizes (small, medium, and large) and lengths (18 inches to 22 inches) to achieve the desired look.

Cost and Maintenance

1. Cost of Extensions:

- The price per pack will be discussed upon consultation.

2. Single Use:

- Once the extensions fall out or are removed, they must be replaced, as they cannot be reused.

3. Additional Costs:

- Specialized hair care products and tools may be recommended to maintain the quality of the extensions.

Maintenance Schedule

- **Proper Care Required:** Following the stylist's aftercare instructions is essential to preserve the appearance and longevity of the Cold Fusion extensions.
- **Replacement as Needed:** Due to the non-reusable nature of Cold Fusion extensions, clients should be prepared to replace strands approximately every 5 to 6 months as needed.

ACKNOWLEDGMENT OF RISKS & RESPONSIBILITIES

Cold Fusion hair extensions require a commitment to regular care and maintenance. Failure to follow recommended care may lead to damage to both the extensions and natural hair. By signing this waiver, you acknowledge that:
